Overview of costs of third parties

If an order is placed via an exchange or any other trading platform, the total price is calculated from the DEGIRO transaction fee plus the costs of third parties (clearing and settlement costs, brokerage fee, contract note fee, regulatory fee and the execution fee).

DEGIRO does not charge the grants and fees of third parties directly, but via a fixed fee of € 0.50. The fixed fee covers all costs charged by the exchanges or trading platforms DEGIRO for the execution of your order. Swiss shares are subject to a flat fee of CHF 0.50. The fixed fee of €0.50 does not apply to Tradegate.
